VISITING PREACHER

It was a great pleasure to have The Very Reverend Andriy Mykytyuk from the Eparchy of Sts Peter and Paul of Melbourne for Ukrainian Catholics in Australia, New Zealand and Oceania to preach at our Choral Eucharist last Sunday.

It is wonderful to welcome fresh perspectives to our lectern and to strengthen ecumenical relationships.

GREETINGS! NGĀ MIHI!

This weekend, we welcome clergy and laity from across the diocese to Holy Trinity Cathedral, our Mother Church, for the Third Session of the Fifty-Seventh Synod of the Anglican Diocese of Auckland (top left). Led by our bishop, we will gather to debate and vote on issues affecting the whole diocese. It is also a valuable time to worship together and plan for our collective future.

Holy Trinity Cathedral's Synod Representatives, Dawn Jones and Felicity Reid, will join Fr Ivica and I at Synod. Please keep us in your prayers this week, along with Bishop Ross and those elected to represent their ministry units.

Thank you to Peter and Philip for their parts in organising a fantastic *Come and Sing Evensong* last Sunday (top right). Thanks to the efforts of our music department and the RSCM we had nearly 60 singers from across Auckland in the choir stalls which made for a powerful music making experience for singer and listener alike.

A reminder that we will be in St Mary's-in-Holy Trinity for Choral Evensong this Sunday as we will be celebrating the Birth of the Blessed Virgin Mary. All are welcome to join us for this special service in our heritage taonga.

With every blessing,

ANNE MILLS
DEAN

FAREWELL, ELIANA!

This Sunday will be the last time we will see one of our longest-standing members of the Cathedral choir for some time. Eliana Dunford will be leaving us for Oxford, UK where she will embark on a three-year DPhil at St Cross College. After 7 years in the Cathedral choir, we will greatly miss Eliana's contribution to the music and community life of our Cathedral. We thank her for the talent and dedication she has exhibited as a valued member of the Cathedral choir. We wish Eliana every success in the future and hope she feels assured of finding a home here at Holy Trinity Cathedral whenever she returns to Auckland.

SPONSOR A CHORISTER

Every second year, the Anglican cathedral choirs around New Zealand get together for the Cathedral Choirs Festival held over Labour Weekend. The festival includes choral training and mentoring, and collegial support and encouragement. Our choir is hoping to be able to travel down and participate in the festival. The cost per choir member for flights and accommodation is around \$500.

We are deeply grateful to those who have offered help with the costs of this trip. We are nearly there with funding but there is a little way to go yet.

If you would like to sponsor part or all of a choir member's costs so they can share in this wonderful opportunity, it would be gratefully received. Donations can be paid either by cash to the office in an envelope or by direct credit into our bank account: **BNZ branch number: 020192 0031919 01 and reference Choir Festival and name.** Thank you!

JOIN THE SACRISTY LINEN TEAM

Our sacristy linen team has the important task of caring for the various cloth items used as part of Cathedral's weekly services.

With the departure of Di Gray, who has been a dedicated member of the team for some time, we have a vacancy. It is a fulfilling and essential ministry which you can do from home!

We offer full training and support and there is only one rostered duty per month. Please contact Fr Ivica if you are interested and able to assist.

COMING SOON

CARE OF CREATION

11:30am Sunday 22 September
Holy Trinity Cathedral

The 2022 Lambeth Conference of Anglican Bishops Lambeth Call on the Environment and Sustainable Development, reads:

The Anglican Communion is a connected body. We are local. We are global; We are impacted by the environmental crisis. We contributed to the problem, we can contribute to the solution; The Five Marks of Mission call us to share Good News and express our concern for people and the planet; Acting together, we can protect restore and safeguard the environment; For ourselves and for future generations we must act now and urgently.

As part of our Cathedral Strategic action we are committed to developing policy and action for the Care of Creation. A small working group has been designing the theology, purpose and objectives of our work in this area of responsibility as a Christian community.

On Sunday 8th September as part of the Care of Creation month we will offer a presentation outlining the work we have done so far.

MARK THE DATE because on Sunday 22 September from 11.30am-1pm you are invited to a workshop where we will begin putting some action around our theology and purpose.

- We will have a look at the United Nations Sustainable Development Goals and explore how they Inform our work.
- We will set up a working group to measure the parishes current carbon footprint,
- and look at an eco-church survey that will help us baseline our current sustainability efforts and practices.

This will be a very hands-on collaborative workshop and we would love as many of you as possible to join us for this exciting development and see what we have done and what we could do going forward to be faithful stewards of God's creation.
