St Mary's Church, Pohnsarang

GREETINGS! NGĀ MIHI!

Dear friends

I am grateful that, after the busyness of the previous months, as well as Diocesan Synod, and just before the important but also quite busy period in the Calendar before Advent, Advent itself and Christmas, I have the opportunity to combine some time of my leave, with some day of the medical leave.

So, while you will be reading these few lines, I will already be in Indonesia, in Bali, where I will do some delayed and very much needed dental work, after which, I hope, I will be able to have a period of relaxation and break (my books are already packed!). I am also planning to meet with a former colleague of mine, with whom I worked together in Solomon Islands. He is lecturing philosophy in an University in Jakarta. We will meet in Surabaya and together travel to Kediri and Pohnsarang, in order to visit a grave of another Indonesian priest who worked with us, Fr Victor Bieler, who was also a philosopher and one of the wisest people I had the opportunity to meet in my life. He is buried at the cemetery of an interesting Catholic church of St Mary, which was built in 1930-ies by the Dutch Catholic Vincentian priests, in fully traditional Javanese style, and is an exemplar of a great architectural inculturation of Christianity into a local culture.

Do keep me, and especially the first part of my being away, in your prayers, hoping that I will return with a broader smile!

With every blessing,

IVICA GREGUREC

CARE OF CREATION

The 2022 Lambeth Conference of Anglican Bishops Lambeth Call on the Environment and Sustainable Development, reads:

The Anglican Communion is a connected body. We are local. We are global; We are impacted by the environmental crisis. We contributed to the problem, we can contribute to the solution; The Five Marks of Mission call us to share the Good News and express our concern for people and the planet; Acting together, we can protect restore and safeguard the environment; For ourselves and for future generations we must act now and urgently.

THE GLOBAL ANGLICAN CHURCH

The mission of the Church is the Mission of Christ.
The 5 marks of mission are:

- 1. To proclaim the Good News of the kingdom.**
- 2. To teach, baptise and nurture new believers.**
- 3. To respond to human need with loving service.**
- 4. To seek to transform unjust structures of society, to challenge violence of every kind and pursue peace and reconciliation**
- 5. To strive to safeguard the integrity of creation and sustain and renew the life of the earth.**

Summarised in the key words: evangelising, teaching, compassion, justice and care of creation. Specifically for the 4th and 5th mark;
In seeking justice - we remember that Jesus Christ sends us 'into the world' to love, to serve and seek the "wellbeing of the people around us.
In using and caring for creation - we are handling what belongs to Jesus Christ from the time of creation.

THE DIOCESE OF AOTEAROA, NZ AND POLYNESIA

The Auckland Anglican Response to the Climate Crisis (AARCC) 2020 plan provides ministry units with a framework and goals to achieve in four areas of action:

Liturgy and Worship - To incorporate creation care into our worship and liturgical practices.

Education - To have an educational focus on climate change and sustainability issues.

Mitigation - To reduce our carbon footprint, move towards renewable forms of energy and follow good practices.

Advocacy and Outreach - To be a prophetic voice for; social change, reform of political and economic structures that cause or exacerbate climate change and to reach out to the wider community collaborating with local initiatives for care of creation as a role model for sustainability.

HOLY TRINITY CATHEDRAL

While including the Anglican Communion Marks of Mission, The Lambeth Call on the Environment and Sustainable Development and the Auckland Anglican Response to the Climate Crisis in our "Care of Creation" plan Holy Trinity Cathedral is committed to:

Serving Society Through compassion and justice and;

Caring through Creation through godly use of the resources of creation along with ecological concerns and actions.

"And He said to them. Go into all the world and proclaim the good news to the whole [of] creation...". (Mark 16:15)

CARE OF CREATION PILLARS

2. SOCIAL SUSTAINABILITY GOALS

CARE OF CREATION

**11:30am Sunday 22 September
Holy Trinity Cathedral**

The 2022 Lambeth Conference of Anglican Bishops Lambeth Call on the Environment and Sustainable Development, reads:

The Anglican Communion is a connected body. We are local. We are global; We are impacted by the environmental crisis. We contributed to the problem, we can contribute to the solution; The Five Marks of Mission call us to share Good News and express our concern for people and the planet; Acting together, we can protect restore and safeguard the environment; For ourselves and for future generations we must act now and urgently.

As part of our Cathedral Strategic action we are committed to developing policy and action for the Care of Creation. A small working group has been designing the theology, purpose and objectives of our work in this area of responsibility as a Christian community.

On Sunday 8th September as part of the Care of Creation month we will offer a presentation outlining the work we have done so far.

MARK THE DATE because on Sunday 22 September from 11.30am-1pm you are invited to a workshop where we will begin putting some action around our theology and purpose.

- We will have a look at the United Nations Sustainable Development Goals and explore how they Inform our work.
- We will set up a working group to measure the parishes current carbon footprint,
- and look at an eco-church survey that will help us baseline our current sustainability efforts and practices.

This will be a very hands-on collaborative workshop and we would love as many of you as possible to join us for this exciting development and see what we have done and what we could do going forward to be faithful stewards of God's creation.

SPONSOR A CHORISTER

Every second year, the Anglican cathedral choirs around New Zealand get together for the Cathedral Choirs Festival held over Labour Weekend. The festival includes choral training and mentoring, and collegial support and encouragement. Our choir is hoping to be able to travel down and participate in the festival. The cost per choir member for flights and accommodation is around \$500.

We are deeply grateful to those who have offered help with the costs of this trip. We are nearly there with funding but there is a little way to go yet.

If you would like to sponsor part or all of a choir member's costs so they can share in this wonderful opportunity, it would be gratefully received. Donations can be paid either by cash to the office in an envelope or by direct credit into our bank account: **BNZ branch number: 020192 0031919 01 and reference Choir Festival and name.** Thank you!

THE PRAYER OF FRANCIS OF ASSISI (PRAYER FOR PEACE)

Lord, make me an instrument of your peace:
where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy.
O divine Master, grant that I may not so much seek
to be consoled as to console,
to be understood as to understand,
to be loved as to love.
For it is in giving that we receive,
it is in pardoning that we are pardoned,
and it is in dying that we are born to eternal life.
Amen.
