GREETINGS! NGĀ MIHI!

This week, we welcome Dr André Muller to Holy Trinity Cathedral who will be placed with us in an observational capacity and will be joining our congregation on Sunday.

Originally from Wellington, André is a student at St John's College (above) with the Diocese of Christchurch. He has come with his wife, Sarah and 11 month-old daughter, Mhàiri, from living and working in Wellington. He studied at Otago University, completing a Masters in Theology on the early-Church theologian Augustine of Hippo, and a Ph.D. on the Anglican theologian and philosopher Donald MacKinnon. André is at the College for the next 18 months for Anglican formation and to work on converting his PhD thesis into a book, before heading to Christchurch.

We are glad to welcome André, Sarah and little Mhàiri into our community, and look forward to getting to know the Muller family better over the coming months.

With every blessing,
ANNE MILLS
DEAN

TAKE CLIMATE ACTION NOW!

Bring your voice to call for an end to free carbon credits for big industry polluters! Right NOW the government is consulting on the Emission Reduction Plan 2026-2030.

Our diocese is working with Common Grace Aotearoa and the Anglican Diocese of Wellington to encourage as many people as we can to make individual submissions to the Emission Reduction Plan consultation supporting the **Don't Subsidise Pollution** Campaign.

This is also an opportunity to share from our personal experiences of reducing our carbon footprint and what climate resilience looks like for our family, our workplace and our faith community.

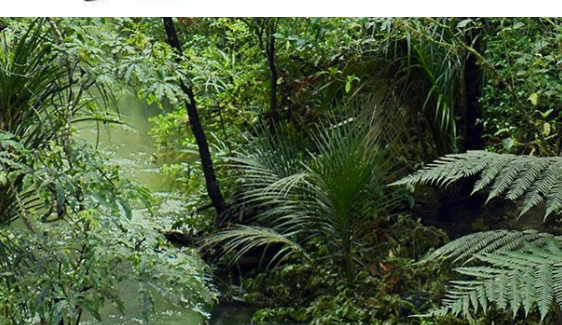

For more information visit www.endfreecredits.nz or email Cathy Bi-Riley at sustainability.fieldworker@aucklandanglican.org.nz

Please return your completed submission forms to the Cathedral this Sunday 18 August. There will be a submission desk at morning tea after 10am Choral Eucharist to receive any completed forms and to help people complete a manual submission (template) which we will then post collectively to Wellington.

The deadline for form submission is 21 August.

DON'T SUBSIDISE POLLUTION

Please take 10 minutes to find out more and write an individual submission using this submission guide and template:

THE CATHEDRAL TRUST FOR MINISTRY, MISSION AND MUSIC

The Holy Trinity Cathedral Trust for Ministry, Music and Mission has been established to provide an enduring source of revenue to support the "core business" of our Cathedral - its ministry, music and mission. The Trust has been set up with the support and endorsement of Cathedral Council and Diocesan Council, and is governed by five trustees from within the Cathedral community.

Any of the Trustees would be delighted to speak with you about the Cathedral Trust and how you can make a difference to the life and work of Holy Trinity.

With our Cathedral buildings now finished and consecrated, strengthening the Holy Trinity Cathedral Trust for Ministry, Music and Mission into a significant fund will help provide a secure financial basis for the work of the Cathedral going well into the future.

Please be in touch if you need any further information - the trustees look forward to meeting with you.

A PRAYER FOR PEACE

O God of peace, calm us, who wait and watch, as events beyond our power and understanding unfold. Deliver us from fear that paralyzes our ability to seek faithfully the ways you would have us be your presence to our friends, our neighbors, and our children. Help us to dwell in your presence one moment at a time and to know that you are ceaselessly at work in our lives and in the world, to bring your reign of peace; in Jesus' name.

Amen.

THE HOLY TRINITY CATHEDRAL STEWARDSHIP CAMPAIGN 2024

Kia ora, I'm Paul Bushnell, the Dean's Warden at Holy Trinity Cathedral.

“ We have different gifts, according to the grace given to each of us. If your gift is giving, then give generously. ”
- Romans 12:8

These words come from another Paul – the saint, in his letter to the Romans. They provide the framing for the launch of our **24 for 24** stewardship campaign.

Parishioners contribute as volunteers across an extraordinary range of activities in the Cathedral, and that is something to celebrate. However, there's another aspect of our giving which is critical to the running of this place, and that is money.

Why is this stewardship campaign needed?

It costs \$1.2m every year to run this unique precinct – providing worship, liturgy, civic commemoration, music, performance, and public and private events.

So where does the money come from?

We gratefully receive 80% of it from a range of sources. There are trusts – such as the Cathedral Trust for Ministry, Music and Mission. There is an annual operational grant from the Diocese, there are bequests, venue hire fees for events both large and small, car parking, and sundry income. The remaining 20% of our annual income comes from giving which we as parishioners do. It currently totals \$220,000 per year. This sounds like a lot, but this figure hasn't changed in five years—in fact since the last stewardship campaign in 2019. This is probably because most giving now is by AP—automatic payments that each of us has set up to transfer a sum to the Cathedral's account on a regular basis. This was a big help during the Covid years, however, there is a downside –that it's so easy to set and forget this arrangement.

PARISH GIVING

The problem?

In the five years since 2019, inflation has eaten away 24% of the value of an unchanged donation. So that is why, in 2024, we're setting the goal of increasing regular giving to update this amount. If we can raise current giving by 24%, or nearly a quarter extra, we'll raise the annual giving total to over \$270,000. This will help in keeping the budget stable, and allowing the Cathedral to operate sustainably. It's the reason for the campaign name **24 for 24**.

How can I help?

So, the challenge in front of us all (myself included) is:

- To begin making one-off gifts or regular contributions if you haven't done so yet.
- To increase the amount, if you currently give regularly, by up to 24%.

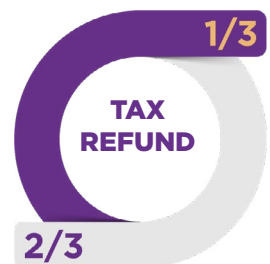

Remember too, that for every dollar you donate, you get one third back as a tax refund.

Let me also acknowledge that for some in our parish, a **24 for 24** target isn't possible. No problem! Give whatever you can. It will be gratefully received and put to good use.

The last word I will give to St Paul:
'If your gift is giving, then give generously.'

Paul Bushnell
Dean's Warden
