BABY LOSS AWARENESS WEEK | 9-15 OCTOBER

## GREETINGS! NGĀ MIHI!

### ANNUAL BABY LOSS REMEMBRANCE SERVICE

1:30pm Sunday 13 October

Bishop Selwyn Chapel

Holy Trinity Cathedral supports Sands by hosting their annual Remembrance Day service, supporting bereaved whānau. This year's event will provide an opportunity to meet other bereaved parents and family members, honour lost babies and light a candle in their memory. There will be light refreshments available after the service.

*Children and families of all belief systems are welcome.*

### GLOBAL WAVE OF LIGHT

7pm Tuesday 15 October

International Pregnancy and Infant Loss Remembrance Day is recognised across the world, where families gather and take part in the *Global Wave of Light* from home or at organised services. This involves lighting a candle at 7pm to burn for 1 hour in memory of all the babies who lit up our lives for such a short time. We begin the wave of light in Aotearoa, setting off a continuous wave of light and aroha that wraps around the globe. We encourage everybody to join in from the comfort of your own home. In support of Baby Loss Awareness Week, Holy Trinity Cathedral will also join other city monuments in lighting purple as part of the Sands NZ *Light Up Aotearoa* campaign. You are invited to be a part of this important ministry.

With every blessing,

**ANNE MILLS**

## YOUNG PEOPLE IN FAITH

**6:30pm Monday 11 November**  
**Hillsborough Room,**  
**Fickling Centre**

Join us for an inspiring interfaith event, *Young People in Faith*, a collaborative initiative by Beth Shalom Progressive Synagogue, Holy Trinity Cathedral, and the Pearl of the Islands Foundation. This program brings together young people from the Jewish, Christian, and Muslim communities, celebrating the shared heritage of the Children of Abraham and fostering meaningful dialogue around faith, spirituality, and social responsibility.

Youth speakers from each faith tradition will share their experiences, highlighting how religious and spiritual practices have positively impacted their lives. Our own, Andrew Dawson, member of Cathedral Council and choir will join the panel. This event will create a platform for young people to engage deeply with their own faith and with one another, as we work together to strengthen the bonds that unite us in the pursuit of a more just, compassionate, and peaceful world.

**ST MARY'S-IN-HOLY TRINITY**

“ If we fall in love with creation deeper and deeper, we shall respond to its endangerment with passion. We shall awaken from our dullness and rise vigorously toward justice. ”

These words sound very contemporary and relevant to our struggles to confront the climate crisis. They were written by the German Abbess, composer, philosopher, and mystic Hildegard of Bingen, who lived in the twelfth century. Hildegard coined the term ‘Viriditas’, which she explained as meaning ‘God’s living power of light in Creation.’

Advent marks the start of a new year in the Church Calendar. A time of new beginnings. As we prepare for Advent we will gather over four sessions to explore what ‘God’s living power of light in Creation’ might imply for us. We will consider how we might tend to fresh green shoots emerging in our journey of faith as we seek to follow that light.

### A PRAYER IN A TIME OF PREGNANCY OR INFANT LOSS

O God, creator of us all,  
give us the grace to honour and remember our baby  
Let our love for them show forth in our lives.  
Sustain our trust in your unfailing love  
for them and for all children, born and unborn,  
who rest in the sacred mystery of your love.  
May we know your comforting presence  
as we gather our strength to go forth  
from this moment into our lives.  
This we ask through Jesus Christ our Saviour.  
Amen.
